“Those who have insight will shine brightly like the brightness of the expanse of heaven, and those who lead the many to righteousness, like the stars forever and ever.”

Daniel 12:3 (NIV)

I. Insight—Insight—Insight

This past year, the verse of Scripture that the Holy Spirit has illuminated to me the most has been the significant brilliance of Daniel 12:3. I pray this verse. I live in this verse. I long for the fulfillment of the Scripture in my life, and I am believing for these Hope Solutionists with increasing influence to be raised up in all seven cultural spheres of society.

A. Prophetic Promise of Divine Insight—Divine Intelligence

As I pray into the “New Ways for the New Era,” into the “Decade of the Mouth,” I believe much of what is before us centers around the fulfillment of this very Scripture. The enemy is playing a masquerade party and attempting to shut our mouths! But it is time to plug into Divine INSIGHT! It is time to plug into Divine Intelligence. Remember, it is an entire New Era, not just a New Decade. We have crossed over from promise revealed to promise fulfilled. The Body of Christ has never seen this level of prophetic profusion—ever!

B. It Is a Time of Manifest Destiny

We are inheriting the promises of trail-blazing forerunners and crossing the Jordan once again to walk out the words a previous generation declared. It is a time of generational prophetic inheritance. It is a time when those with Divine Insight light up the night!

I live in a subdivision called Polk Place named after U.S. President Polk. Though his presidency was short, the United States grew in land mass more in his term

than during any other sitting president. His presidency was terms “Manifest Destiny.”

I am walking out another prophetic parable as I live at the corner of Noah Drive (resting place) and Polk Place (manifest destiny). We enter into the destiny of God by faith that rests. And we must learn to wage effective warfare from the position of ascended worship.

II. The Great Exposure

We could also add that the devil appears to have increased the level of resistance to withstand and hinder the manifestation of the prophetic promise by demonic confusion and chaos.

A. New Promises—New Contention

With the Time of Manifest Destiny comes a time of Contending for the Promise on a level that some have never known. New territory comes contested. There are always giants in the Promised Land ready to stare us down, stating that we do not belong. It is a time of the “Great Unveiling.”

B. The Great Unveiling

This “Great Unveiling” penetrates the smoke screen the enemy has been working behind for decades. The devil has been parading around as though in a masquerade party. Three Great Revealing, or a time of Three Great Exposures, will take place on a grand scale:

1. Corruption
2. Confusion
3. Chaos

The false queen of chaos in Isaiah 51:9–11 will be exposed:

“Awake, awake, arm of the LORD, clothe yourself with strength! Awake, as in days gone by, as in generations of old. Was it not you who cut Rahab to pieces, who pierced that monster through? Was it not you who dried up the sea, the waters of the great deep, who made a road in the depths of the sea so that the redeemed might cross over? Those the LORD has rescued will return. They will enter Zion with singing; everlasting joy will crown their

heads. Gladness and joy will overtake them, and sorrow and sighing will flee away.”

C. **The Nature of Truth**

This Great Exposure will include the release of the opposite spirit of God’s Truth. The devil’s two-faced mask is going to be ripped off and truth is going to prevail. We will rediscover the nature of truth.

1. Truth has a Final Say (John 8:32)
2. Truth is a Spirit that Listens (1 John 4:6)
3. Truth is a person (John 14:6)

D. **Trials Turned into Triumphs**

God is going to turn the table of corruption. It is not over until it is over, and it is not over yet! In the time of the Great Exposure and the Time of the Great Unveiling, our trials and sufferings will be turned into public exhibitions. Haman will yet be hung on his own gallows. I am speaking in veiled ways, but mark my words: Trials will be turned into Triumphs!

III. **Double for Your Trouble**

Recently I had a crystal-clear dream where a game was being played double or nothing. Excuse my language for a moment, but it was called a “crap game” that you play with dice. This is actually a play on words. I do not gamble, and so I had to look up the verbiage. Here we go.

“Craps is a popular dice game typically played in a casino as well as informal settings. It is played with a pair of dice in which players bet on dice rolls. When one is playing Craps, money is then wagered against either the casino or the other players in the game. When someone plays against the other players outside of a casino setting, it is called street craps.”

One might ask, “Why is it called Craps?” Because it required little equipment, “street **craps**” could be played in informal settings. It is believed around this time the name “**craps**” was invented as a spinoff of the French word “crapaud,” meaning “toad,” in reference to the original style of play by people crouched over a floor or sidewalk.

A. **I Will Redeem the Mess of 2020**

We could say it another way: It's a four-letter word and it starts with a "C" and it ends with a "P." God wants to redeem the whole stinking mess. He is going to get down in the streets through us and bring a restoration in 2021. It might get worse before it gets better. There will be riots, sit-ins and squatters, but God is going to show up in the streets. God is going to meet us as we crouch down to the ground in wailing intercession.

B. **God Says, "Roll the Dice!"**

Don't play church, BE the Church! No more *inside* the walls, get *outside* the walls. Be the ecclesia I have called you to be. Get in the streets. I will meet with you there! "Roll the dice! Play some Craps!"

C. **I Will Give You Double for Your Trouble!**

Isaiah 61:7 proclaims:

"Instead of your shame you will have a double portion, and instead of humiliation they will shout for joy over their portion. Therefore they will possess a double portion in their land. Everlasting joy will be theirs."

IV. **A Time of the Roaring 20's**

The Holy Spirit gave me a dream that we were in a 100-year cycle and to look and see what happened 100 years ago. I saw myself going back in time into what was called the "Roaring Twenties." It was a time of cultural convulsions and a time of great change.

Later, on what became my last ministry trip of the year due to COVID-19 in 2020, my eyes landed on a Time Magazine in a newsstand in an airport. The entire magazine was totally dedicated to what happened in the Roaring 20's. Needless to say, I bought the magazine.

Let's take a prophetic gaze into what went before us that is coming back around. Open conflict is coming, and that which is done in hiding will be done in the public. Light and Darkness will have a street fight right in front of our eyes, but a Salvation

Army will yet arise filled with boldness and moving in both compassion and power of the Gospel of the Lord Jesus Christ.

- A. Praise Goes to the Streets.
- B. Women Will Arise into a Place of Prominence as Never Before.
- C. As There was a Time of Prohibition, Now There Will Be an Open Conflict with Drugs, Harlotry and Murder by Abortion—a Type of War Between the States.
- D. Gangs and Gangster Mobs Will Arise to Be a New Ruling Movement.
- E. But a Fresh Justice and Compassion Movement Will Displace the Darkness.

V. What Is Required in These Times?

“He has told you, O man, what is good; and what does the LORD require of you but to do justice, to love kindness, and to walk humbly with your God?” Micah 6:8 (NASB)

- A. **The Power of Laser Focus**
- B. **The Power Living Life from a Parable**
- C. **The Power of Proclaiming Psalm 91**
- D. **The Power of a Certain Faith in Uncertain Times**
- E. **The Power of Prayer with Fasting**
- F. **The Power of Corporate Communion**
- G. **The Power of the Gospel of the Kingdom**

VI. Storm Warnings Are Being Released Which Require a Response

We are to walk in the kind of crisis intercessory breakthrough anointing that Rees Howells walked in during World War II. (I wrote about this in my book ***Prayer Storm*** in Chapter 4, “Intercessory Prayer Storm in Times of Crisis.”)

A. **Storms of God’s Judgment**

When we are in the midst of storms of confusion and conflict, our response needs to be a cry for mercy. Broken and humbled, we confess our sins, and we confess generational sins.

B. **Storms of Dark, Demonic Attack**

When God allows storms of demonic attack, we need to eliminate any common ground with the enemy first and then stand in an authoritative place of

intercession. We rebuke this kind of storm.

C. Storms of the Consequences of Sins

In order to press through storms that are the direct result of human sin, or ones that are of a corporate body of people, we need to enter into identificational repentance, asking the Lord to forgive sins that we ourselves may not have committed. This requires humility, and it requires a lack of defensiveness.

VII. Closing Declaration and Prayer of Consecration

“Father, we declare that these are the days that the Holy Prophets of old have spoken about. These are the days when darkness covers the earth and deep darkness the people. But then a great light shines and the glory of the Lord appears and pierces this temporary present darkness.

“We declare that we are posturing ourselves for the greatest harvest of souls the Church has ever seen. We declare that out of chaos and confusion, an awakening will come forth and New Ways for a New Era will emerge. These are the Days of the Roaring 20’s when the Lion of Judah will arise and the Sound of Praise will Roar across the stage of time. We will be among those who will gain Insight and shine brightly like the expanse of heaven and lead many to righteousness. We declare it is a time that we receive double for the times of trouble. And we volunteer freely to be Hope Solutionists for such a time as this, for Jesus Christ’s sake. Amen and Amen!”
